BUSINESS SUMMARY

- Past Issues
 - Lady LaMa continues to be officially unscheduled. Indigo has been to the Pro Shop several times to try and resolve the problem. Nothing is being done. There appears to be a LACK OF ORGANIZATION at the Pro Shop. She feels that she has been getting the run-around in regards to "The Process" to schedule a Disc Golf Event. County states that she must go through the Pro Shop (Patrick McConnell) to resolve the schedule. Patrick has been unable to get this officially scheduled...it is NOT on the Calendar in the County Office. At this point it is like pushing water up hill. As such Indigo is cancelling the event for this year.
- Course Maintenance
 - No Tee Pad date set yet.
 - Innova Champion Discs donated a Disc Golf Basket for Lake hole #18. Thanks Innova!
 - Jerry reported that we are going to move Tee #3 on the BACK18 back by the Tee Sign. This is being done to remove the obstruction from the water control unit which is currently directly in the tee line for many people.
 - Lake #13 and #15 Tee Signs need to be cleaned badly...Need to clean the insides.
- Finances
 - No Bills or checks for this month. Club has a reported balance of \$2570.89.
 - With the extra money the club is looking into purchasing new baskets to replace some of the old baskets on the BACK18.
 - We will consider selling the old ones online before we replace with the new baskets.
 - We need 6 more baskets.
 - Debbie is looking into getting a quote for Hats & Shirts to sell in the Pro Shop.
